

VEGRANDIS

THE GRANDEST OF GALAS

September 30, 2017 at The Mini Time Machine Museum of Miniatures

Vegrandis 2017 will coincide with Part I of our Fall exhibit of recently acquired one-quarter-life-size Historical Figures created by artist-historian, George Stuart titled; *George Stuart Historical Figures: Early Works from the Hernandez Monsanto Collection*.

Proceeds from Vegrandis 2017 will be designated for the museum's newly established Acquisitions Fund. This fund will enable us to not only better preserve the miniatures with which we have already been entrusted, but will open pathways for meaningful growth and diversification – ensuring that our collection will continue to resonate with audiences well into the future.
