

Tiny Tea Set

LIST OF MATERIALS

- 2 Large acorn caps and one small acorn cap
- Gold paint
- 3" x 2" inch wooden or cardboard rectangle piece
- 2 colors of felt (3.5 x 1.5 inches and 0.5 x 0.5 inches)
- Modeling clay or bees wax (optional)
- Tacky Glue, scissors, sandpaper, needle/thread

ASSEMBLE YOUR TINY TEA SET

1. Lightly sand two large acorn caps that are similar in size and one smaller cap so they are stable.
2. Paint the inside of the acorns with gold paint. Let dry.

3. With the largest piece of felt, cut two 0.75 x 0.25 inch strips and two 1.5 inch diameter circles. To make the flower saucer, cut 8 notches in the circle and round the edges of each segment. Repeat for the second saucer.
4. Cut two leaves out of the smaller felt.
5. Use Tacky Glue (or hot glue with adult supervision) to glue the strips of felt onto the two large acorn caps to form handles. Let dry.
6. Cut a 2 inch strand of thread and knot one end. Using the needle, attach the thread to the felt leaf. Cut the thread to 0.75 inches. Repeat for the second leaf.
7. To form the tea bags, use modeling clay or beeswax (shown) to create a tiny tea bag around the end of the leaf thread. You can also cut out a piece of paper and glue it to the thread. Let dry.
8. Make a little spoon out of modeling clay, beeswax or cardboard.
9. Use a 3 x 2 inch wooden board or cut cardboard to size as the serving tray.
10. Assemble the tiny tea set and invite your favorite fairies and friends to a tiny tea party!
