

Essential Tips for Chaperones

Please review the following guidelines with your students or group members.

Walking feet stay on the ground.

Please walk when inside because our displays are not soft. For your safety, we ask that NO ONE climb on the Enchanted Tree.

Stay together.

One chaperone per ten kids is required. Please keep your group together so no one gets lost.

Indoor voices only.

Please remember to keep your voice down when you are inside the Museum. We have some areas, like the Rotunda, where noises echo, which can be distracting.

Don't touch – unless invited!

Protect the miniatures by keeping hands off the cases unless you are invited to touch by a docent or a sign.

Say Cheese!

Photographs are allowed but please do not use a flash.

Keep food and drinks outside

Food and drinks are not allowed in the galleries. You can leave a water bottle or other food at the front desk, but please consume any snacks outside.
